Description

Description: Mrkopalj - house for sale, 170 m2, attic, basement, garden! We mediate in the sale of a semi-detached house in Mrkoplje, for adaptation. The house consists of a

basement, a ground floor where there is a kitchen, a hallway, two rooms, a bathroom and an attic that is reached by internal stairs and where there are two more rooms. The house is of solid construction and the roof and beams are in good condition. However, it requires complete adaptation. Next to the house there is also an outbuilding of approx. 50 m² that can be used as a tavern or an additional house. In addition to all that, a 720 m² garden stretches down the house itself. Next to the house there is parking for two cars. The house has water and electricity connections. It is located along the local road. Papers 1/1. An antique for adaptation with a lot of potential.
