Description

Description:

ISTRIA, KRŠAN - Luxury villa for sale with a spacious garden, swimming pool and sauna! Kršan can rightfully boast of a rich cultural and historical heritage, which in some places dates back to the 11th century. You will feel the beauty and diversity whether you start your visit to the municipality from the Krsna Kaštela, where the Istrian Divorce was found, the Plomin church of St. George the Old, which hides the oldest known Glagolitic inscription – the Plomin inscription, of the western massifs of Učka and the Kožljak castle, the Romanesque church of St. Quirinus and frescoes from the 15th century with details depicting the dedication of the famous painter Albert, the town of Čepić and the lake of the same name that dries up and turns into arable fields or from the youngest settlement in Istria - Potpićna. In the territory of the municipality of Kršan, the remnants of the Glagolitic and sacral heritage and old crafts are intertwined with modern tourist offers and a variety of gastronomic delights, and if you look a little closer and listen to the beauty of the nature of this region, you will surely see, and maybe even hear the gentle bell of an endemic plant species - Istrian bell tower. A beautiful villa adorned with luxury and comfort is located in the peaceful surroundings of the small Istrian village of Boljevići and offers you the opportunity to escape from reality and relax away from the hustle and bustle of everyday life. The comfortable and spacious villa has a total of 4 bedrooms and can provide accommodation for 8 people.
