Description

Description: Pula - new building, 100.59m², 2nd floor The offer is a new project of a residential building in the location of the city district of Šijana. The new building is located near all relevant amenities for a quality life. We highlight an apartment of 100.59 m² on the second floor, which consists of an entrance hall, kitchen with dining room and open living room, two bedrooms, bathrooms, loggia and storage room, two parking spaces and a garage. There will be two-bedroom apartments on the ground floor of the building, one- and two-bedroom apartments on the first floor, and three-bedroom apartments on the second floor. All apartments will have at least one parking space within the building, while two parking spaces are provided for three-room apartments. All apartments will have a loggia and a storage room on the ground floor, and the apartments on the ground floor will also have a garden at their disposal. The interior design of the apartments will certainly meet higher construction standards and a high energy certificate: thermal facade, multi-level heating and cooling system with inverter air conditioners in all rooms, high-quality Italian ceramics and first-class laminate, entrance security door, carpentry glazed with double IZO glass filled with argon, PVC profiles and ALU blinds, electric underfloor heating in the bathroom. Completion of construction is expected in the summer of 2024. Apartments are already being booked, so don't miss out on choosing yours! The buyer is exempt from paying real estate tax.
