Description

Description:	ISTRA PULA Apartment in an outstanding location Luxurious 3BR+DB
--------------	--

apartment located on the second floor of a new building, just a few minutes' walk from beaches, the sea and promenades. We proudly present the project of a new building which is currently in the ROH-BAU phase of construction, and which consists of a total of 6 residential units organized so that there are 2 apartments on each floor. It is a high-quality building located only 2.5 km from beautiful beaches, crystal clear sea and a well-maintained walk with a bicycle path through nature and parks. With this project, you have the opportunity to own one of the rarer properties on our market, located in a significant and luxurious location in the city of Pula, surrounded by family houses and modern buildings, just a few minutes' drive from Medulin and the center of Pula. The location of the building is ideal for anyone looking for an investment option for the development of luxury tourism or for anyone looking for their own private oasis of peace and privacy in the magical and unmissable Pula. **DESCRIPTION OF THE APARTMENT:** It is a comfortable and spacious apartment consisting of a total of 90.08 m² of living space. The rooms in the apartment are organized so that each of them fully fulfills its intended role, so at the very entrance to the apartment there is a lobby/corridor that separates the private space of the apartment from the space intended for daily life and entertainment. The part of the apartment intended for everyday life and entertainment is designed as an "open space" area, where there is a place for a larger kitchen, a comfortable dining room and a larger living room with an exit through a glass wall to a covered terrace. The private part of the apartment consists of three bedrooms and two bathrooms, one of the bedrooms is the master bedroom with its own bathroom. Two rooms have access to a terrace that offers a wonderful view. In addition to everything mentioned, the apartment also includes a storage room in the basement of the building, as well as two marked parking spaces in the building's yard. **ADDITIONAL AND TECHNICAL INFORMATION:** * The apartment is sold turnkey, without furniture. * The price includes underfloor heating in the bathrooms, living room and dining room. * They will be equipped with air conditioners in every room. * High-quality carpentry is installed * During construction, only proven high-quality materials are used. * The planned end of the works and the possibility of moving in is in the middle of 2025. * In this phase of construction, changes are possible according to the wishes of the customers. Everything that is needed for everyday life is just a few steps from the apartment, and one of the greatest features of this location is the peace and privacy it provides, the proximity to the beaches, as well as all other amenities. Thus, the apartments are located in an ideal location for all those who are looking for their opportunity to invest in the development of luxury tourism with a safe return on investment, as well as for all those who are looking for an ideal place for their private oasis of peace and luxury. For any additional questions, necessary information or wish to organize a tour of the apartment, current construction phase and location, please feel free to contact us. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
