Description

Description:	<p>ISTRIA, RABAC - Land with a sea view near the sea On the southeastern coast of Istria, where the green hills meet the sea, where nature and heritage come together, there are two small towns with different but mutually complementary characters, just five kilometers apart - Labin and Rabac. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin in a small settlement by the sea, there is a land for sale with a sea view near the sea. The land is located in a quiet location, surrounded by nature, family houses and holiday homes, and is accessed from an asphalted local road with low traffic intensity. The land has a regular shape, the terrain is cleared and in a slight slope, and all the necessary communal infrastructure is located near the land. According to spatial planning documentation, the land is located in an undeveloped part of the construction area of a residential settlement in a protected coastal area of the sea (ZOP) in a zone of 300/1000 m from the coastline. This land is an ideal opportunity to build a family home or holiday home. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 29554</p>
