Description

Description:	<p>ISTRIA, SOVINJAK - Old house for renovation in a quiet location Buzet is located in the very north of Istria, near the border with Slovenia. Its historical core, which dates back to the Middle Ages, lies on top of a hill above the fertile valley of Istria's longest river, the Mirna. Today, Buzet is widely known as the 'City of Truffles' because the forests along the Mirna River are particularly rich in this divine tuber. As part of the town of Buzet, at 348 meters above sea level, rises the small town of Roč, a destination for many hikers, tourists and lovers of history and the Glagolitic alphabet. Not far from Buzet, in a quiet village, there is a stone antique for sale for adaptation on two floors. It is a semi-detached building with an area of 40 m². The building is connected to the electricity and water supply networks, while a septic tank needs to be built for waste water needs. The roof has been repaired, while the rest of the house needs complete adaptation. The facility is located in a quiet village with a beautiful view of the hills of northern Istria. There is a possibility of buying additional living space. With the necessary adaptation, this can become an ideal property for a quiet family life in a beautiful location. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 29591</p>
