Description

Description: The settlement of Galižana is located in the town of Vodnjan - north of Pula. It is located on the local road Pula - Vodnjan and near the railway line. The settlement has historical and urban continuity, and the surroundings of Galižana are rich in archaeological remains of medieval churches. Right here, at a location 1700 m from the sea, a rectangular building plot of 746 m² is for sale. This plot of land offers an ideal opportunity to build your home in a peaceful environment, with all the necessary amenities close at hand. Considering its area, it will have enough space for a comfortable life and privacy, while the first floor of the built property will offer a view of the sea. Electricity and water are available to the neighboring plot, and the road to the land is about 300 m from the main road. For more information and viewing of the land, call directly +385 98 420 363
