# Description

Description: We are selling a beautiful indigenous stone holiday house with a swimming pool

located 5 km from Barban. It is located in a small town with only ten houses. The house was completely renovated in 2019, and consists of a ground floor and a first floor with one bedroom each with its own bathroom. In a separate part there is a fully equipped kitchen and dining room and another bathroom. There is also an antique fireplace for added comfort, and air conditioning is installed in every room. The total square footage of the residential part is 110 m2. The yard is completely fenced and landscaped. Since there are no green areas, it is extremely easy to maintain, and it also has a 21 m2 swimming pool. The property has a well-established tourist rental business, which the new owner has the option to take over, or to keep this charming autochthonous Istrian house for himself as a holiday home. The agency commission is charged in accordance with the General Terms and Conditions.
