changes - political, social and ethnic - that this Istrian town has experienced in history. The history of Poreč is a history of constant changes, movement and turmoil, the impermanence of the people, ups and downs, in which the history of new beginnings appears as a constant. This city constantly reveals traces of the life of many civilizations and cultures that built its urban and historical identity. Located in an excellent and peaceful location in Poreč, this beautiful penthouse offers an ideal combination of comfort and practicality. Only a few minutes away from the sea and the first beaches, and with quick access to the city center and all necessary amenities (restaurants, shops, school, kindergarten), this apartment is the perfect home for relaxing and enjoying the Mediterranean lifestyle. The penthouse is located in a smaller residential building consisting of only five residential units, which provides additional privacy and a sense of exclusivity. Apartment E, located on the second floor and extending over the entire floor of the building, has a total area of 174.05 m². It consists of a hallway, a guest toilet, two storage rooms, two spacious bedrooms, each of which has a private bathroom and exit to the loggia, kitchen, living room with dining room, and a gym with spa area and exit to a spacious terrace. From the living room there is an exit to the terrace with beautiful views. The apartment will have two parking spaces, and heating will be provided by electric underfloor heating. Air conditioners for heating and cooling will be installed in all rooms, while the installation for a fireplace will be prepared in the living room, providing the possibility of a third source of heating or creating a pleasant atmosphere. The floor coverings in the apartment will be defined according to the wishes of the future owner. The expected completion date of this beautiful project is the fall of 2025, providing an opportunity for a perfect home in an ideal location in Poreč.
