Description

Description:	<p>ISTRIA, LABIN - Building land with a view of nature The town of Labin is located on the east coast of Istria, through which the state road that connects Rijeka and Pula passes. Due to its age, durability and historical significance, it should have become a big city by today, but it remained a lovely small town whose past is the generator of future development - the Labin mine, the project of the Underground City, is the only mine at sea in which there is an underground mine built at +30 meters above sea level an infrastructure of inestimable value, completely safe because it is carved in living rock. It is 5 kilometers from the tourist resort of Rabac. Stari Grad is located on a dominant hill with a view of the Kvarner coast, and at its foot is Podlabin, where the streets intersect at right angles, creating the appearance of perfect order and regularity. A building plot of 1600 m² is for sale, only 4 km from the center of Labin. The land has a regular shape and has a neat access road. The terrain offers a panoramic view of the neighboring villages and hills. Ownership in order. An ideal property for building a family home or holiday home in a peaceful environment. Dear clients, the agency commission is charged in accordance with the General Business Conditions www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 29679</p>
