Description

Description:	<p>ISTRIA, MOTOVUN, KAROJBA - Beautiful complex on the edge of the village, opportunity! In the northern part of Istria, above the valley of the river Mirna, on a cone-shaped hill located at 277 meters above sea level, is probably the most famous and most attractive Istrian medieval town - Motovun. The town has preserved its medieval appearance even today. The city itself is divided into three parts, and its specificity is two rows of walls. In Motovun, there are Trg Andrea Antia and Trg Josef Ressel, which was designed as a lookout point and offers a view of beautiful landscapes. The longest staircase in Croatia with 1052 steps leads to the city. In addition to numerous cultural and historical sights, Motovun and its surroundings can boast numerous vineyards and famous winemakers, recreational facilities that enable an active vacation such as grape harvesting, asparagus picking, truffle gathering, fishing, paragliding, free climbing, and in good weather, above Motovuna, it is possible to ride in a balloon. Not far from Motovun, a few minutes' drive from Karolja, this interesting complex is for sale. It is about 4,674 m² of land, of which about 3,200 m² is for construction, and the rest is agricultural. The land is located on the edge of the construction zone and has a lot of potential for building several holiday homes or family homes. Electricity and water are in the way, which greatly facilitates the construction process. The land is regular and flat. There is a possibility of buying a larger area. Opportunity!</p>
