Description

Description:

Istria, Pula Excellent two-room apartments for sale in the center of Pula. The apartments are located a few minutes' walk from the center of Pula and not far from all necessary facilities for life. The building will have five floors. On the ground floor of the building there will be three garage spaces and two taverns, while in the basement of the building there will be three underground garages and storage rooms. The first, second and third floors will consist of three apartments. -The apartment will consist of a hallway, two bedrooms, a living room, a kitchen and a dining room with access to a balcony, a bathroom, an additional room that can be used as a study or bedroom, and a storage room in the basement of the building. The apartment also has its own outdoor parking space, which is a significant advantage when the apartment is located in the city center. The bathroom will have electric floor heating. The expected completion of construction is at the end of 2025. This apartment is an opportunity for all those who are looking for a comfortable new apartment or an investment to engage in rental services! ID CODE: 1041-221
