Description

Description: Antique house for renovation not far from the city of Poreč An antique house for complete renovation is for sale in a quiet Istrian place only 10 km from the city of Poreč. The house is located on a plot of land of 330m² and its total area is 98m². The house consists of a ground floor and a first floor and a small additional building. The house has the potential to expand and gain additional square footage by connecting to the wall in the continuation of the house. The house has an electricity connection and water is located on the neighboring plot. All amenities necessary for life are located not far from the town. With a little imagination and adaptation, this house can be an ideal investment for a vacation home with a pool as well as a family home. ID CODE: 1039-21
