Description

Description: Istria, Pula Stanovi is located in a prime location in the center of Pula, which allows you easy access to all the city's main attractions, shops, restaurants and public transport. The building will have five floors. On the ground floor of the building there will be three garage spaces and two taverns, while in the basement of the building there will be three underground garages and storage rooms. The first, second and third floors will consist of three apartments. Enjoy a modern lifestyle with everything you need at your fingertips in this elegant apartment in the heart of Pula. The apartment consists of a hallway, two comfortable bedrooms, living room, kitchen and dining room with access to the balcony, bathroom and additional storage in the basement of the building. The bathroom will have electric floor heating. The apartment also includes a garage and an outdoor parking space, providing you with a safe and practical place to park your vehicle, without worrying about finding a parking space. One of the rare advantages of this apartment is the tavern on the ground floor of the building, a space of 44 m2 that offers unlimited opportunities for socializing and entertainment. The expected completion of construction is at the end of 2025. This property represents a unique opportunity to create your perfect home or an investment that will provide you with a stable and profitable return on investment in the future. ID CODE: 1041-226
