Description

Description:	<p>ISTRIA, LABIN (surroundings) - Land with a sea view On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage meet, there are two small towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that characterized this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. A plot of land measuring 1574 m² is for sale near Labin, only 400 meters from the sea. The land has been cleared and has a wonderful view of the sea. It has an access road. The property is neat. A request for urbanization has been submitted for the land. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: http://www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 29816</p>
