Description

Description:	We are selling a low-energy detached house built in 2020. Quality materials and construction equipment were used, which justifies the A++ energy certificate. The house consists of an entrance hall, a large living room with a kitchen and a dining room that leads to a spacious terrace. Internal stairs lead to the first floor where there are 2 smaller bedrooms and a master bedroom with a walk-in closet and a

bathroom. From the upper floor, there is an exit to the back of the house where there is another terrace, and an additional garden facility designed as a tavern for socializing and barbecuing, and a small toilet that is not finished. In front of it is another terrace where there is an automatic pool of 35m², with a built-in jacuzzi and a system for swimming against the current. In front of the house there is parking for 5 cars, three open and two covered parking spaces. Underfloor heating and the Fan-coil system are connected to a heat pump, central air recovery in the house, aluminum joinery with electric blinds, three-layer oak parquet, first-class ceramics. Quality furniture is chosen with style and is also included in the price. The house offers a beautiful view of Rijeka and Kvarner and is ideal for lovers of quality furnishings, panoramic views and a quiet location. ID CODE: 5742
