and is located on a plot of land of 540 m². A large open space living room with a kitchen and glass walls is the main and central part of this project, and from the living room, through the large glass walls, there is a view of the greenery and the agricultural plot, which is the biggest advantage of this project. In addition to the above, the house offers 2 bedrooms with two bathrooms and a separate toilet. The yard is planned to be fenced with stone, and the future owners will add horticulture according to their wishes. There is also a 36 m² swimming pool in the garden, which will be covered with ceramics, and preparations for a heated swimming pool are planned. ADDITIONAL INFORMATION: -planned carpentry is PVC in anthracite color - electric blinds - 3 air conditioners - electric underfloor heating The planned completion of the works is the beginning of spring 2025.

LOCATION: The Renaissance town of Svetvinčenat is one of Istria's jewels with a rich tourist offer and numerous events that take place in the extraordinarily attractive historical spaces of this town. Savičenta is decorated with a Renaissance square called Placa with the Morosini-Grimani castle - the symbol of the place itself and one of the most important fortifications of the Venetian army of that time in Istria. This special town with a very rich tradition, its interesting and varied programs, the most prominent of which are the Medieval Festival, the Cheese Festival and the Dance and Non-Verbal Theater Festival, attracts numerous visitors every year.
