Description

Description: Surroundings of Poreč, modern villa with a view of the sea in a quiet place In the suburbs of the city of Poreč will be located this interesting villa with a fantastic view of the sea and the surrounding area. Its total gross area will be 251.80 m², while its internal area will be 189 m². Through the entrance we come to a spacious living room, kitchen and dining room which are combined into one unit, one spacious bedroom with its own bathroom, storage room, engine room and guest toilet. Glass walls will be placed throughout the living room, which will give the space more light. The living room, bedroom and kitchen lead directly to a comfortable covered terrace where there is a sunbathing area with a large heated pool of 40 m². An elegant internal staircase leads to the first floor, where there are three more spacious and comfortable bedrooms with their own bathrooms and exits to the terrace, which offers a beautiful view of the sea during the day. In the following, we climb the internal staircase to the second floor, to a spacious terrace of 97 m², which offers us an exceptional view of the sea and the surrounding area. A sauna and jacuzzi will be installed on the roof terrace and will provide future owners with additional comfort for relaxation and enjoyment. The entire villa will be heated by high-quality underfloor heating via a heat pump and air conditioners in every room. Due to its location and exceptional style, this property is ideal for tourism business. ID CODE: 1031-941
