### Description

Description:	<p>ISTRIA, RABAC - Building land with an open view of the sea On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage meet, just five kilometers apart, there are two towns of similar size, but with different but mutually complementary character - Labin and Rabac. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin in a small settlement by the sea, there is a building plot for sale with an open view of the sea. The land is flat and has a regular shape. It has access from an asphalted road and is supplied with electricity and water to the land. The property is neat. An ideal property for building a family house or holiday villa. Dear clients, the agency commission is charged in accordance with the General Business Conditions: <a href="http://www.dux-nekretnine.hr/opci-uvjeti-poslovanja">www.dux-nekretnine.hr/opci-uvjeti-poslovanja</a> ID CODE: 30088</p>
