Description

Description:	<p>ISTRIA, LABIN - Spacious land in an outstanding location On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage come together, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. Not far from the town of Labin, there is a spacious plot of land for sale in an excellent location. The land with a panoramic view of the surrounding hills is located in a quiet and sunny location at the edge of the construction area of the settlement. The subject land of cadastral crops, pasture and arable land, is located on a slightly sloping terrain and is partially covered with low, medium and tall unorganized vegetation characteristic of the climate in which it is located. The parcel is not fenced or marked, its location is determined approximately on the ground and access is from an ungraded asphalt road. The environment is green and wooded. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 30054</p>
