Description

Description:	ISTRA ROVINJSKO SELO Luxury house with swimming pool We proudly present this high-quality and luxurious family house located in a peaceful and quiet location, only five minutes' drive from the romantic center of Rovinj and just a few steps from the center of Rovinjsko Selo. What makes this house interesting is not
--------------	---

only the quality of all the works and equipment, but also the fact that everything you need for a safe, peaceful, everyday family life is just a few steps from the house. In the same settlement, you have the opportunity to taste some of the local delicacies in famous restaurants and taverns, and to buy all the necessities in smaller and larger shops or the market. In short, it is an exclusive family house built in a modern style with modern details and construction solutions, and you can always spend your free time with your loved ones on a spacious and private garden with a swimming pool, full of Mediterranean plants. **PROPERTY DESCRIPTION:** The house consists of a total net usable area of 212.49 m², and is divided into three floors. The house is located on a comfortable plot with a total area of 993 m². The ground floor of the house consists of an entrance hall that welcomes us and leads us into the living room. This part is designed as an open space in which there is a comfortable living room, a spacious dining room sufficient for the whole family, as well as a kitchen. What makes the stay in this part of the house special are the glass walls, with the help of which a greater flow of daylight into the space was enabled, which, in addition to the brightness, also added to the feeling of freshness, as well as the spaciousness of the entire space. Likewise, through the same glass walls, there is a wonderful view of the landscaped and private garden and swimming pool, as well as access to the covered summer terrace. In addition, on the ground floor of the house there is an engine room and a storage room, as well as a guest bathroom, which are separated by the lobby in a slightly more private part. In addition to everything mentioned, there is also access to the ground floor of the house from the garage. *On the first floor of the villa, there are three comfortable bedrooms, each with its own bathroom, while all bedrooms have private access to the balcony with a wonderful view of the greenery, slightly hilly landscape and the rest of the village. * The underground garage is designed as an ideal space for your tin pet **YARD:** The house is located on a spacious and comfortable garden with a total of 993m². The yard of the house is completely fenced and hidden from view, thus ensuring maximum privacy and peace. The yard is decorated in the same Mediterranean style, with numerous trees and Mediterranean plants. The central part of the garden is occupied by a comfortable and spacious swimming pool. Next to the pool, in addition to the sunbathing area, there is the already mentioned covered summer terrace with seating, ideal for entertaining friends and family. You don't have to worry about your little ones, because there is enough green space left in the yard of the house, ideal for carefree play and fun, while you can use a total of 4 parking spaces for your tin pets, of which 1 is inside the garage, and the other 3 are outside, if possible. subsequent covering. **ADDITIONAL AND TECHNICAL INFORMATION:** The special feature of this house is its location, which significantly facilitates the stay in the house, while we must also highlight the quality of all the work performed, as well as the high level of quality of every material used in the house. We must not forget to highlight the design of the house, which corresponds to the latest and highest standards of today's life and at the same time conveys a timeless feeling. * Complete carpentry in the house is PVC with three-layer glass * High-quality technical equipment from one of the most respected manufacturers on the market

was used * Heating in the villa is provided by air conditioners in every room, as well as floor heating (heat pump) installed in every room of the house.
