Description

Description: This building plot of 1606 square meters offers an ideal opportunity to build your home in a peaceful and picturesque environment. The land has a regular shape with a slight slope, which facilitates planning and construction. It is located in

close proximity to infrastructure, which includes access roads and all necessary services. An access road is provided, which facilitates everyday life and access to the main roads. The proximity to the city center is also an advantage, which enables quick and easy access to all necessary facilities, such as shops, restaurants, schools and medical institutions. This land is an ideal investment for those who are looking for a quiet location with all the necessary facilities in the immediate vicinity. Do not miss the opportunity to realize your dreams of a perfect home in an idyllic setting. Contact us today to learn more! ID CODE: 2005-312
