Description

Description: Opatija Center Exclusive Apartment in an Old Villa! In the heart of Opatija, just a few minutes' leisurely walk from the market, restaurants, bars, and shops, you'll find this newly adapted apartment spanning 57.52 m². The apartment is located on the second floor of a beautiful typical Opatija old villa with a spacious terrace and sea view. The complete adaptation of this perfect property was completed in 2024, and we are confident that it will satisfy the aesthetic criteria of even the most demanding buyers. The beautiful interior of this apartment will be hard to resist for lovers of the beautiful Opatija Riviera, and we find it difficult to decide whether

we were more captivated by the location itself, the proximity to the sea, the terrace with a view, or the interior. This property is ideal for both vacation and investment purposes, including tourist rental. The building also has its own landscaped garden, which is used by all residents of this beautiful old villa. The incredible location, stunning terrace with a view, and proximity to the sea won us over at first sight, and this property has our highest recommendation! ID CODE: 685
