We are selling a spacious and modern villa near Novigrad with a living area of 112 m<sup>2</sup>, which consists of a living room, kitchen, dining room, two bedrooms, two bathrooms, a storage room and a covered terrace. The interior of the villa itself is decorated very

modernly and made of high-quality furniture, with open space rooms and a large number of glass walls in order to get a feeling of connection with the beautiful terrace, overlooking the large pool and beautiful garden. Under the covered terrace there is also an outdoor bar with installed LED lighting. The villa has an infinity pool, sauna and jacuzzi! The villa is located in a secluded area and is surrounded by olive groves, vineyards and other charms that this magical part of Istria offers us. The villa is located on a plot of land of 3371 m<sup>2</sup>, one part of which is agricultural. Also, the villa is on an elevated part of the terrain and has an unobstructed view of the sea. Also, it is important to emphasize that there is agricultural land in front of the house and there is no possibility of construction.
