Description

Description: Brseć surroundings, building plot with outstanding view! We are facilitating the sale of an exceptional plot of land with projects, building permits, and foundations in the area between Brseć and Plomin. The plot spans 560 m², has a regular shape, and slopes down towards the sea. From the plot, there is a sensational view of the entire Kvarner Bay, the islands of Cres and Lošinj, as well as the ferry port. The extremely charming and romantic terrain is surrounded by beautiful houses, most of which are used for tourist rentals. The proximity to the sea and beaches, as well as the excellent location between the Opatija Riviera and Istria, namely Labin, the commenced construction, and above all, the sensational view make this property an absolute favorite in the land offerings in this area. We consider it to have great potential and highly recommend it! ID CODE: 642
