## Description

Description:	<p>Opatija very charming apartment near the sea! This extremely attractive property is located in the wider center of Opatija on the ground floor of an old Opatija villa and covers 45 m<sup>2</sup>. The apartment with a very functional layout has 2 bedrooms, a bathroom with a shower cabin, a fully equipped kitchen and dining area, and a small living room. Despite its small size with two bedrooms, the apartment is almost ideal for tourist rentals throughout the year. It was completely renovated last year, is modern and very comfortable, with the additional bonus being the outdoor area, i.e. the landscaped garden, which is surrounded by greenery and is an ideal place for gatherings with barbecue and a glass of wine. High-quality materials were used for the complete renovation, and heating and cooling are</p>
