Description

Description: Istria, close to the sea, building land for investment! We mediate in the sale of construction land with a size of 5000 m², ideal for large investors with the possibility of purchasing even larger plots. The land has a regular shape, flat configuration and is located in the highly sought-after and attractive northern part of Istria. According to the location information, the parcels are located within the construction area, the undeveloped part, residential purpose and in the area marked VO multi-family buildings with at least 2 and at most 4 functional units. The land is located in a very attractive area of the Istrian peninsula, less than 10 km from Poreč and 50 km from the border with Italy, close to the sea and beautiful beaches. We consider this plot of land to have great potential and an ideal opportunity for larger investors ready to build the aforementioned facilities, and it certainly has our recommendations.
