Description

Description: Istria Pazin for Investment! We are facilitating the sale of a mixed-use building land located on the main road between Žminj and Pazin. The land spans 9500 m², with building land of regular shape and flat configuration. According to location information, it is partially within the boundaries of a built and developed construction area of the Žbrlini settlement primarily for commercial purposes (designation K), and partially outside the construction area of the settlement. 7300 m² is located in the construction zone while 2000 m² of this land is located outside the boundaries of the construction area. The infrastructure is located on the parcel. Due to its commercial purpose, the land is ideal for some trading activity, service provision, or communal services. We highly recommend this attractive location! ID CODE: 630
