Description

Description: Istria, Kašćerga: Premium Land with a View! We are facilitating the sale of this exceptional, high-potential land situated between Motovun and Pazin in a small, very tranquil, and picturesque village on a hill. The land is oriented to the south, offering a magnificent panoramic view of the surrounding Istrian hills. The property spans 2500 m², of which 1800 m² is designated as building land, and an additional 700 m² is non-urbanized. There is a ready-made project and building permit for this parcel. It has a regular shape and gentle configuration, with electricity and water located near the plot. Municipal contributions have been paid for this land. The project envisions the construction of a ground-floor structure with a living room, kitchen, and dining area of approximately 40 m², leading to a covered terrace of 25 m² and a pool. Additionally, there are storage facilities, 3 bedrooms, and 2 bathrooms. We truly consider this property a great opportunity for all enthusiasts of this part of Istria, especially for hedonists who appreciate the view and tranquility surrounding this area.
