Description

Description:

Opatija Volosko: Fantastic Property with Great Potential! This exceptional property, which we are representing for sale, is located in close proximity to the sea, the beach, and the famous Opatija promenade, Lungo Mare. The garden surrounding the property is 700 m² and features three buildings. The main house (formerly an old stone house) spans 80 m² of living space, with an equal amount of space below, currently used as storage but can be converted into residential space within the existing dimensions. In the lower level, there is a space of 45 m², and in the garden, there is another garden house measuring 50 m², making this property, in reality, have approximately 250 m² of enclosed space. The main building was once a stone house that is exceptionally well-preserved today, with two bedrooms, a kitchen, a living room, and one bathroom. The fantastic location, enchanting view, proximity to several excellent restaurants, and all necessary amenities for modern living place this property among the leading real estate options on the Opatija Riviera market, in close proximity to the sea, and it has our highest recommendation!
