In this splendid region, in the village of Bijažići, we are facilitating the sale of a detached, beautiful modern prefabricated house under construction. The house, according to the project, has retained the Istrian charm combined with a modern way of life. This exceptionally interesting property spans 250 m² of the gross area of the house, which is situated on a plot of 1060 m². The large living area of the house with a kitchen and dining room with large glass walls is connected to an outdoor terrace and a pool, and each of the 5 bedrooms has its own bathroom.
