Description

Description:

Opatija, premium apartment in an old villa! In the strictest center of Opatija, less than 100 meters from the beach and the sea, this prestigious property is located. The duplex apartment, which has retained the exceptional charm of bygone times, spans 200 m² spread over 2 floors. The garden surrounding this villa is terraced so that each of the two apartments has its own corresponding part of the separate garden. Each apartment also has its own garden with landscaped surroundings large enough for hedonistic enjoyment near the sea. The ground floor of this exceptionally charming apartment is dominated by the living area with a large entrance hall, kitchen, dining room, and living room. On the ground floor, there is also a bathroom and a separate toilet, while stairs lead to the first floor where 4 bedrooms, another bathroom, and toilet are located. The top-notch location, the charm of the old villa, the charming garden, and the parking space definitely set this excellent property apart from the offerings of top real estate in Opatija, and it has our highest recommendation for all admirers of this gem on the Croatian Adriatic!
