Description

Description:

ISTRIA, LABIN - House and land with building permit On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. Not far from the town of Labin, there is a house and land for sale with a building permit. The property is located in a gentle settlement, surrounded by nature, family houses and holiday homes, offering a perfect balance of rural surroundings and proximity to urban facilities. On a spacious plot of land, the project envisages the construction of a double building consisting of two completely independent, independent units connected by a covered porch with their own swimming pools and adjoining gardens. Each house extends over two floors. On the ground floor there is an open concept space that unites the living room, dining room and kitchen with access to the covered porch, bedroom, bathroom, storage room, utility room and hallway with an internal staircase. The first floor consists of two bedrooms, a bathroom and a loggia. One house was built in a modern and high-quality manner and equipped, and the first phase of central heating was installed. All utility and water contributions have been paid for the second house in the project. The yard is landscaped and fenced. The stated price refers to the existing condition with the possibility of building a swimming pool with a price correction. Considering the potential that the property offers, this is a perfect opportunity for a comfortable family life as well as an investment for the purpose of tourist rental. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 30097
