Additional information

Infrastructure: Sewage, Electricity, Telephone installation

Description

Description: Seize the opportunity to own a unique piece of Vrboska with this expansive 2437 m² building land, offering views of the port. Measuring approximately 16 meters in width and 160 meters in length, this prime location is ideal for constructing a cluster of villas just minutes away from the Adriatic Sea. The neighbors' permission to build closer to their borders enhances the development potential, while the proximity of water, electricity supply, and sewage drain streamlines the building process.
