and an attic with a total of ten double rooms, two kitchens, two living rooms and four bathrooms with toilets. The house also has thirty parking spaces in front of the building itself. The complex has a unique attraction, an example of a fully functional old mill powered by the stream that flows through the featured property. Distance to Plitvice 45 minutes, to the sea 60 minutes and to Ogulin 10 minutes by car. The owner does not only sell the building, but also the traditional catering business and the rental of residential units (rooms with beds). 1/1 ownership with all necessary permits. Due to the exposed location of the property, a traditional gastronomic activity, an increase in value is to be expected.
