Description

Description:

CODE NAME: Vila Višnja LOCATION: A few kilometers from the medieval town of Svetvinčenat, within the municipality of Žminj, only 30 km from the largest city on the Istrian peninsula - Pula. 20 kilometers from Rovinj, which is the strongest tourist center in Croatia and has been recording a record number of visits for many years. Rovinj is proud of its beautiful beaches, gastronomy and an archipelago of 14 smaller islands and 6 rocks. The villa is located in a small village with only a few family households, only 4 km from the highway exit. Villa residents are close to urban areas and the sea, close to Italy and the airports of Pula and Venice. The villa is part of a settlement of Mediterranean villas, the settlement consists of 9 villas, it is surrounded by a stone wall and at the entrance there is an electric remote opening door. DESCRIPTION: This Mediterranean villa with a swimming pool in the Istrian style is located in a small village within a complex of Mediterranean villas. The villa on the ground floor consists of a large living room with a fireplace, a kitchen and dining room in an open space concept, a kitchen pantry, a boiler room and a pantry with access from the outside of the building intended for the maintenance of the pool and the environment. Also, on the ground floor there is one comfortable bedroom with its own bathroom and access to the outdoor terrace, a separate bathroom with access from the living room and an attached covered terrace of 42 m² with an outdoor kitchen and a large corner grill. The stairs in the shape of the letter "L" lead to the first floor of this villa, where there are two more bedrooms with attached bathrooms. The total net area of the building is 167 m². The heating of the villa is planned as underfloor heating on the ground floor and on the first floor, and for cooling air conditioners in each room and living room. The property will have wooden joinery and shutters in the Istrian style, while the floor coverings will be made of ceramic tiles, a stone staircase and a bathroom with sanitary facilities. The handrails of these fences will be made of wrought iron. The building is located on a plot of 733 m², in the central part right next to the terrace is dominated by a swimming pool measuring 8x4 m with a beach lined with traditional Istrian stone, designed in a concept that provides intimacy in relation to the surrounding buildings. The covered car park will be paved with concrete slabs. The facade of the building will be constructed in the form of a thermal facade 10 cm thick in combination with Istrian stone, and the roof will be made of wooden beams with stone wool insulation with tiles as a cover. The property is designed so that it faces south and southwest to ensure maximum sunlight throughout the day. The surroundings of the villa will be completely landscaped, with planted plants, grass and irrigation, as well as outdoor lighting. The furniture in the villa shown on the projections is not included in the price. The villa is in the process of construction, in the rough construction phase. Payment by stages of completion of the facility, completion of works in 2024. The price of the building is 575,000.00 Euros For all questions and information or to arrange an appointment for a real estate inspection, contact us today, and at the link <https://angelusnekretnine.hr/o-nama> you can view our General Terms and
