Description

Description:	NEW ON THE MARKET, GREAT NEW BUILDING IN PUL. Delight yourself and see that there is still a good price-quality ratio. We present to you a new project in the construction of multi-apartment buildings in the city district of
--------------	---

Šijana, Pula, which is an excellent location for a quality life. The project envisages the construction of nine multi-apartment buildings with a total of 35 apartments, four apartments in each building, except building 8, which will have three apartments each. Apartments will be built for everyone's needs, one-, two- and three-room apartments from 93 m² to 103 m², with an excellent layout of rooms with excellent communication. All apartments have at least one parking space within the building, while two parking spaces are provided for three-room apartments. With the purchase of each apartment, buyers are given the option of choosing a storage room on the ground floor of the building from 1 m² to 3 m² for storing things, etc. Apartments on the ground floor of the building will be able to use the spacious gardens in the environment for personal use and enjoyment. Green areas and the planting of traditional Istrian varieties of plants (rosemary, olive, laurel, etc.) are planned in the building environment in order to match the environment and complement the location. The interior design of the apartments will meet higher construction quality criteria as well as a high energy certificate: - thermal facade, - floor heating and cooling system with inverter air conditioners in the living area of the apartment and all rooms, - premium Italian ceramics and first-class laminates, - security entrance door, - residential joinery made of high-quality PVC profiles, glazed with double IZO glass filled with argon, - electric floor heating in the bathrooms ZGR1 / S4 Three-bedroom apartment on the 2nd floor of an excellent new building in Pula. It consists of 3 bedrooms (13.83 m², 11.11 m², 15.34 m²), 2 bathrooms, a living room with a kitchen and dining area with access to the terrace. The apartment includes one parking space (P4 and P5) within the building complex and a storage room (SP4). Given that the seller is a legal entity in the VAT system, the buyer is exempt from paying real estate sales tax. START OF CONSTRUCTION; 2024 year. PLANNED IMMIGRATION; 01/2025 year.
