Description

Description: A beautiful Mediterranean villa for sale, only 8 km from the first beaches and the hustle and bustle of the city. The villa is located in a peaceful, beautifully decorated settlement that exudes peace, quiet and the wonderful scents of nearby olive groves and nature. The villa is located on a plot of land measuring 662m², and has 138m² of living space. It extends to the ground floor and first floor. On the ground floor there is an entrance hall, a living room, a kitchen and a dining room, an additional room (it can even be a bedroom) that currently serves as a work area, a toilet, a bedroom with its own bathroom, a covered terrace with an outdoor kitchen. On the first floor there is a hallway, and two bedrooms with their own bathrooms, and below one of the bedrooms there is a glazed terrace with a jacuzzi! In the yard there is a 27m² swimming pool, a garden house, and many Mediterranean plants. The villa has two uncovered and one covered parking space. On the ground floor, electric underfloor heating (heat pump), fireplace (wood burning) and air conditioners are installed, while on the first floor only air conditioners are used for heating and cooling. The villa has been beautifully maintained and until now has been used exclusively for temporary housing (not for tourist rental), which contributes to the quality and sustainability of the villa. However, this villa is ideal for those who are looking for a solution to their own housing issue, as well as for those who are looking for profitability and the investment segment.
