Description

Description: Istria, Svetvinčenat In the vicinity of Svetvinčenat, one of the most beautiful old towns in Istria, these two houses are nestled in a peaceful village. These are two stone houses in a row that require complete renovation to revive their spirit and transform them into a beautiful home or rental property. Infrastructure is already present in the houses, they have a valid usage permit, and are 1/1 ownership. One house has a size of 42m² while the other is 25m², both have a ground floor and a first floor considering that there is only a partition wall between the houses. In the vicinity of the houses, there is a courtyard of about 10 square meters which could be arranged for enjoyment and possibly accommodate one parking space. The property represents an interesting project for all lovers of old Istrian houses! ID CODE: 1042-36
