Description

Description:

We have for sale an exclusive apartment in a new building not far from the center of Rijeka. Located on the ground floor of a villa with a total of 3 apartments, this apartment offers a kitchen, dining room, living room, pantry, bathroom and three spacious rooms, including a master bedroom with its own bathroom. The total area of the apartment is 96 m², the distance from the city center is only 1750 meters, and from the nearest beach 3.5 km. What makes this apartment particularly attractive is the beautiful garden of 274.27 m², providing space for relaxation, entertainment or creating your own garden paradise. In addition to the heated swimming pool of 24.00 m², the apartment also has 3 parking spaces and a charger for electric cars. Thermal facade and underfloor heating from Daikin ensure a warm home, while a heat pump with a hot water tank efficiently provides enough hot water. The cooling is in the A+++ range thanks to the most modern technology from the supplier Daikin. Heating and cooling are automatically regulated in every room, and quality joinery provides protection against external influences and heat losses. The planned completion of construction is summer 2025. Customers can choose finishing materials according to their preferences.
