Description

Description: Poreč, surroundings, building land for building villas In the vicinity of Poreč, only 10 km away, this ideal building land for building holiday villas is for sale. The land can be divided into parcels, thus creating six holiday villas or even terraced

houses can be built. The plot has a regular shape and is located on the southwest side. Electricity is available on the neighboring plot. Due to the construction in the future, the water will be brought close to the plot, so that the new owner will be able to connect more easily. A shop, a church, catering facilities are located in the village itself with a pleasant walk. The first beaches are only 7 km away. Due to its location and the position of the plot, this property is an ideal investment for the construction of traditional stone villas for vacation. ID CODE: 1031-942
