The location of the plot is an excellent combination of the wonderful natural beauties of the far south of Istria, such as the Kamenjak nature park, the Brijuni national park, and the immediate vicinity of urban areas such as Pula, Medulin, Premantura, Banjola, etc. The plot is positioned on one side of the bay so that it offers a view of the other side of the bay: ACI Marina Pomer, where there are all the necessary facilities for a comfortable life; shops, restaurants, parks, bars and a glamping camp with 5 stars and beautiful beaches. The airport of Pula is about 10 km away, the center of Pula 8 km, the center of Medulin 3 kilometers. The construction plot is for residential purposes of a regular shape with an access road that will later be converted into a road. The total area of the plot is 742 m², of which 40 m² is the agricultural part. Possibility of building a detached building, P+1. Complete infrastructure is located next to the land. A conceptual solution for construction has been created: Urban luxury villa of 210 m² with a pool and garage, 4 bedrooms, 4 bathrooms. It is also possible to buy a building plot of 738m².
