Description

Description: ISTRIA, LABIN - Comfortable house with a spacious garden On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In the suburbs of Labin, a comfortable house with a spacious garden is for sale. It is located at the end of a quiet street near all shopping, cultural, educational and recreational facilities. In addition to the convenient location, the property is characterized by the spatial organization of the exterior and interior. The living space is clearly defined and used to the maximum. It extends through the ground floor and first

floor and consists of two residential units. On the ground floor there is a residential unit consisting of a kitchen with a dining room and exit to a covered terrace, three bedrooms, two of which require decoration, two bathrooms and a hallway. On the first floor there is a residential unit consisting of a kitchen, dining room and living room with access to a covered terrace, two bedrooms, two bathrooms and a hallway. The spacious well-kept garden is enriched with fruit trees and Mediterranean plants and offers peace, privacy and a view of the surroundings. This property in an ideal location is a perfect opportunity for family life or as an investment for rental for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
