Description

Description:	<p>Building plot Stivašnica, We mediate in the sale of construction land located in the area of Stivašnica, distanted only 100 meters from the sea. The total square footage of the land is 631 square meters. The location is favorable because it is located near electricity and water connections, which facilitates the process of eventual construction. According to the urban plan, the coefficient of buildability of the land is 0.3, providing the possibility for the construction of the building in compliance with the prescribed conditions. With the purchase of this plot, there is the possibility of purchasing an adjacent plot of identical square footage. It is located in a quiet area, close to all the facilities needed for everyday life, yet it offers peace and escape from the hustle and bustle of the city. An ideal opportunity to build a family house or an investment in the form of real estate for tourist rental.</p> <p>ID CODE: DA100062815</p>
