Description

Description: We are selling a newly built apartment with a swimming pool near the center of Rijeka. It is located on the first floor of a villa with a total of three apartments. It consists of a kitchen, dining room, spacious living room, pantry, bathroom and three large bedrooms, including a master bedroom with its own bathroom. The apartment has a total area of 100 m², and is located 1750 meters from the city center and 3.5 km from the nearest beach. The special feature of this apartment is the large terrace on the south side, which provides plenty of sunlight throughout the day, ideal for relaxing and enjoying the view of the surrounding landscape. The north terrace, located next to the garden, offers privacy and peace, perfect for enjoying the fresh air. The apartment also includes a heated swimming pool of 16 m², three parking spaces and a charger for electric cars. The thermal facade and underfloor heating of the Daikin brand ensure the warmth of the home, while the heat pump with the hot water tank efficiently provides enough hot water. Cooling in the A+++ range is achieved with the most modern technology of the Daikin brand. Heating and cooling are automatically regulated in each room, and quality joinery provides protection against external influences and heat loss. The planned completion of construction is the summer of 2025. Customers can choose finishing materials according to their wishes. For any additional information about this exceptional offer, feel free to contact us. ID CODE: 884
