Description

Description: We present to you this beautiful modern villa, a perfect combination of elegance and functionality, located on a 792 m² large plot, with a total house area of 192

m2. The ground floor of this enchanting villa offers a modern open space that includes a living room, dining room and kitchen. The spacious living room is lit by an abundance of natural light coming through the large glass walls that overlook the heated pool and summer kitchen. There is also one large bedroom with a private bathroom, specially adapted for guests with wheelchairs, with direct access to the pool. Also, on the ground floor there is another small bathroom and a laundry room for added convenience. Upstairs there are three beautifully decorated bedrooms, each with its own bathroom. One of the rooms even has its own terrace, while two rooms share a spacious terrace with a beautiful view. Quality carpentry with mosquito nets and shutters with movable electric motors provides comfort and safety, while solar panels and a heat pump provide environmentally conscious and economical energy for heating and cooling the entire house. Additional flexibility is provided by the air conditioners installed in each room. The yard offers enough parking spaces, two of which are covered, and there is also a charger for electric cars. There is also a practical storage room in the yard for storing things. ID CODE: 1822
