Description

Description: Pula is a city located on the southern part of the Istrian peninsula in Croatia. With its beautiful coast, crystal clear sea and lush greenery, Pula is a popular tourist destination that attracts visitors from all over the world. Pula is known for its history, ancient monuments, including an impressive amphitheater (Arena). The climate in Pula is Mediterranean, with warm summers and mild winters, which makes it an ideal destination for tourists who want to escape the cold continental climate. The building is located in the Kaštanjer district, in the immediate vicinity of the Arena. The building has three floors with three residential units per floor.

The architectural style of the building is modern, with clean lines and a minimalist design. The exterior of the building is made of high-quality materials. The use of such materials gives the building an elegant, contemporary look. Each apartment is spacious, measuring 59.50 m². This attractive residential module is an ideal place for any individual or family to live. The apartment consists of two bedrooms, a living room and a kitchen with a dining room and a bathroom. It is located on the 1st floor. The apartment has a storage room and a parking space. There is a possibility of buying a garage. Construction is planned for 2025. The agency commission is charged in accordance with the General Terms and Conditions.
