ideal for various purposes such as warehouse, sales or production center. This business facility provides excellent conditions for business. The space also includes a part of 3542 m² of land that includes parking and access roads, enabling easy access and manipulation by large trucks. The facility is located between two buildings, and the storefront ensures visibility and attracts potential customers. The construction is of exceptional quality, with a 15 cm thick reinforced concrete floor. Water and sewage connections are within the center, which further facilitates business. 30 kW of solar panels have been installed on the roof of the building, which ensures energy self-sustainability and reduces business costs. The total power of the solar panels is 244.2 kW. The space also offers a gallery within the sales and exhibition area, and the height of the hall is 6 meters, providing additional flexibility for various business needs. For interested buyers, there is the possibility of securing part of the space lease, which can be an additional advantage for business. The position of this facility is excellent, allowing quick access to key roads and shopping centers, thus facilitating logistics and attracting potential clients. Don't miss this opportunity.
