Description

Description: For sale is a spacious three-room apartment on the second floor of a residential building in the quiet village of Kanfanar, with a total area of 112.3 m². This modernly designed apartment is ideal for family life or as an investment. The apartment is characterized by a spacious living room that is connected to the kitchen and dining room, creating an open and bright space perfect for gatherings and family activities. The entrance area leads to a corridor from which you can access all parts of the apartment, including three spacious bedrooms, which provide enough space for a comfortable sleep and privacy. The apartment also contains a modern bathroom and a separate toilet for added convenience. A pantry and wardrobe allow for additional storage space and better organization, while the attic offers additional storage options or adjustments to suit your needs. The heating and cooling of the apartment is solved by means of an air conditioner, ensuring a pleasant temperature throughout the year. Two parking spaces provide you with worry-free parking, and completion is scheduled for December 2024, giving you plenty of time to plan and prepare to move in. Located in a peaceful environment, yet close to all necessary amenities, this apartment is an ideal place for a comfortable and practical life.
