Description

Description: We offer a building plot located near the center of Labin, ideal for all those who want to take advantage of the city's proximity and at the same time enjoy a peaceful environment. The land of 984 m² is flat and has a regular shape. The

location of the land ensures that all the necessary infrastructure is available at your fingertips. Water supply, electricity, sewerage and telephone lines are located in the immediate vicinity, which greatly simplifies the construction process and reduces the additional costs of connecting to the network. This land offers an excellent opportunity for investors and private developers who are looking for a perfect place to build in an attractive and affordable part of Labin. With its flat terrain and ideal shape, this area enables quick and easy realization of your building plans. If you are looking for land that combines a favorable location with complete infrastructure, this is an opportunity you should not miss.
